# Multi Sports Camps

*... with a British Twist*

The British Sports Camp program has been developed for children between the ages of 5–12 years old and will run Monday through Friday for 3 hours or 6 hours each day. The campers will learn and enjoy games that kids on the other side of the Atlantic play every day. With just the right amount of instruction and plenty of encouragement from our talented British coaching staff, the campers will quickly learn new skills and will jump into a series of all action games and scrimmages.
